

Let Your Love Bloom at Christmas

2011

Ministerial Assistance and Enrichment Fund

Each year, the Division for Ministry makes a Christmas appeal for the Ministerial Assistance and Enrichment Fund, which provides funds for NACCC clergy in times of crisis or need. Since this is not an endowed fund, it relies on yearly contributions. Please prayerfully consider promoting this year's appeal. You will soon receive a letter with promotional materials to encourage your members to give generously. We greatly appreciate your participation in this vital ministry.
